Instructions

The AICPA Reviewer Search is a valuable tool for:

- Firms looking for a peer reviewer,
- Firms looking for an outside party to perform consulting services (for example, pre- or post-issuance reviews), and
- Team captains looking for a team member.

The search lists information on the reviewer's firm and its enrollment in the AICPA Peer Review Program. To begin your search, just answer the short series of questions on this page.

The search indicates the categories that the reviewer believes they are qualified to review, such as types of audits and specific industries. It is the firm's responsibility to ensure
